RESPONSE TO OFFICIAL COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Communication mailed April 9, 2003, please consider the following.

REMARKS

Applicants acknowledge receiving the April 9, 2003 Official Communication wherein the Examiner indicated that the Restriction Requirement had been misconstrued. The Communication stated that "...Applicant still needs to choose one helper sequence from Claim 25 to examine the present application pursuant to the present restriction requirement." Applicants' Representative spoke with Examiner Katcheves on July 15, 2003 to clarify the nature of the pending requirement.

Appl. No. : 09/846,797
Filed : May 1, 2002

In response to the Restriction Requirement and subsequent Notice, and consistent with the discussion on July 15, 2003, Applicant hereby elects SEQ ID NO:4 in addition to SEQ ID NOs:1 and 5 for examination.

CONCLUSION

The present application is now believed to be in condition for examination. Prompt examination on the merits of the application is, therefore, respectfully requested.

Respectfully submitted,

GEN-PROBE INCORPORATED
